

**Pathology and Laboratory Medicine Central Zone
Memo to Ambulatory Clinics and Family Physicians
Expansion of Hours at Spryfield Blood Collection Clinic**

Effective August 4th, Spryfield Blood Collection is expanding hours to provide additional access to blood collection services. The clinic will now be open Monday to Friday 7am – 2:30pm and Saturday 8am – 3:30pm (excluding holidays).

Due to impacts on laboratory services related to the COVID-19 pandemic, a walk in same day clinic blood collection service can no longer be supported. An appointment is now required to ensure physical distancing.

Please call (excluding holidays) :

902-473-2074 or 1-833-942-2298

Monday to Friday 7am to 11pm

Saturday: 7am to 3pm.

Thank you for your cooperation and patience while we continue to implement changes to improve access to Central Zone Blood Collection Services.
