

Pathology and Laboratory Medicine Memorandum

To: NSH physicians

From: Todd Hatchette, Chief, Division of Microbiology Central Zone

Date: May 07, 2021

Subject: **Information on how NSH Physicians can Access Covid-19 Test Results**

Physicians can access COVID-19 results within their Zone, including testing performed at the QEII Hospital Mackenzie Laboratory, by calling the numbers below. All Zone Laboratories now have access to Central Zone Millennium which facilitates reporting of COVID results from the QEII. This change should provide better access, as there are increased calls in Central Zone due to the increased volume of testing.
