Subject: Clozapine Testing

Please be advised that due to methodology issues, Clozapine testing for Capital Health patients will be referred to Hospitals In-Common Laboratory (HCIL) in Ontario until further notice.

All district labs outside of CDHA are kindly requested to refer samples directly to HICL at a cost of \$28.00 per test. Currently there are no changes required to the collection requirements.

If you have any questions, please contact Faye.Lively@cdha.nshealth.ca at (902) 473-6387 or Bassam.Nassar@cdha.nshealth.ca @ 473-2225.
