MEMORANDUM

TO: Referring Laboratories

FROM: Dr. Todd Hatchette / Dr Jason LeBlanc
Directors, Virology and Immunology Section

Carolyn Mills
Manager, Division of Microbiology

DATE: May 31, 2012

RE: HIV Western Blot Testing

=====

Please be advised that our weekly HIV Western Blot testing will move from Thursdays to Wednesdays to facilitate testing schedule changes within the Microbiology laboratory. Please make sure all specimens are transported so they will arrive by Tuesday which will ensure they make the Western Blot run.

If you have any questions, please do not hesitate to call the laboratory.

Sincerely,

Todd Hatchette MD FRCPC
