

# RESEARCH EDUCATION

FOR NOVA SCOTIA HEALTH AUTHORITY  
& THE IWK HEALTH CENTRE.

## SUPPORTING YOUR RESEARCH THROUGH EDUCATION

The Nova Scotia Health Authority (NSHA), IWK Health Centre and Research Methods Unit (RMU) are committed to working together to strengthen research capacity and to build research excellence. A key element of this commitment is the research education program.

## Generalized Boosted Models

Host: IWK Health Centre  
Speaker: Michael Butler, Dalhousie University.

*Thursday January 28th: 1pm-3pm*

### Location:

Research Services Large Conference Room IWK Goldbloom

### Description:

This session will review the basics of Generalized Boosted Models, including Cox Proportional Hazard Models and Poisson Regression. The session will be general in nature and will cover broad themes and will provide examples of some of these methods.

### Audience:

For those interested in learning a higher level modeling!

### Pre-requisite:

None.

### Cost:

None.
