

For general cancer information and services in the community patients and families may call:
The Canadian Cancer Society at 1-888-939-3333 open Monday-Friday 9 a.m. to 6 p.m.

All referrals **MUST** be accompanied by:

- a **legible** consultation letter highlighting presenting signs and symptoms and findings
- pathology report documenting cancer diagnosis
- operative reports relevant to the cancer

We do not wish to delay any referrals! Therefore, please indicate on Page 1 if there are any outstanding investigations or pending reports. Please include the date when and the location where the tests are to be performed. In addition, cancer-site-specific information necessary for properly triaging referrals is outlined below. (For information on cancer sites not listed, please call the Referral Office at 902-473-5140)
