Replacement Cards for the Lawtons Drugs Preferred Discount Program

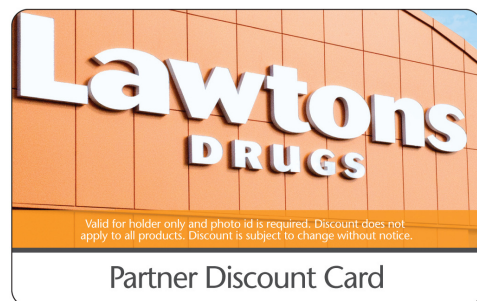

Since 2008, Group Benefits Solutions and MHCSI (Lawtons/Sobeys) have had a partnership that offers **employees and retirees in the Extended Health Plan** significant savings. Health Plan members have access to Lawtons Drugs Discount Program and the MHCSI (Managed Health Care Services Inc.) Supplementary Pharmacy Benefits Program.

Please be advised, that eligible plan members will receive a new Lawtons Drugs discount card to replace their paper lighthouse card. The new “plastic” discount card is expected to be mailed to your home address by the middle of December.

If you do not receive your replacement card by December 31, 2013 please contact MHCSI at 1-888-686-6427. The new card will be valid for five years and will have an expiry date of December 31, 2018.

Please note, it is the Lawtons Drugs discount card that is being replaced; the Supplementary Pharmacy Benefit Card does not expire and will not be replaced.

If you are a member of the Health Association Nova Scotia Extended Health Plan, and would like more information on savings available to you, or you need to replace a lost Lawtons loyalty card or MHCSI supplementary pharmacy benefit card, please contact MHCSI (Managed Health Care Services Incorporated) directly at 1-888-686-6427.

If you have questions about your benefits, please talk to your Benefits Administrator.
