

Continuing Care Spring Forum 2019

LTC Refusals Working Group DRAFT Recommendations

DISCUSSION

Please use this worksheet to record your group's discussion points. You may also complete one of these forms individually if you would like to provide additional or more specific points. These forms will be collected at the end of the forum or you can send it to Patti.McKenzie@nshealth.ca up until June 28, 2019.

Discuss the recommendations and consider the following:

1. Are there any recommendations you don't support? Please include rationale.

2. Are there other recommendations you would make? Please include rationale.

3. Where should we start first? Why?
