**Central Zone Fall Forum**  
October 30, 2017

***Hosted by: Wendy McVeigh***

# Accreditation Highlights

- CZ Accreditation
- Surveyor – Kevin Hayes
- Overall we had a great report!
  - Clients & Family are our central focus
  - Strong relationships with community partners
  - Home First approach working well
  - Reducing Waitlists

***WE ROCKED IT!***

## Case Management Standards – ROP's

### Three (3) ROP's in the Case Management Standards:

- Medication Reconciliation begins with collecting a Best Possible Medication History
- Information relevant to the care of the client is communicated effectively during care transitions.
- A safety risk assessment is conducted for clients receiving services in their homes.

All ROP's are found on our [NSHA Website](#)
