ROAD MAP TO NSS ACCOUNTS AND LMS

1

SUBMIT BULK REQUEST

A minimum of 2 weeks before you require students to complete NSH's required orientation, submit a NSS AD Bulk Request Form for the entire class/cohort to nursingstudentIT@nshealth.ca

2

NSS ACCOUNT

Distribute to students their NSS username and temporary password you will receive via MoveIT.

3

ACTIVATE NSS ACCOUNT

Students will activate their NSS account and change their temporary password as per instructions found on our website. This account is now active until they graduate.

4

LMS ORIENTATION

Students will log into LMS with their NSS account and updated password. Complete orientation under "My Learning".

5

PASSWORD UPDATE

In order to keep the NSS account active, remind students to change their password every term.
