# Accessing LMS and Orientation Modules

You have been provided with a Student NS Health Active Directory username (NSS*username*). You should have already updated your temporary password as per previously provided instructions. If you have not done so you MUST complete prior to accessing LMS eLearning. You will complete the NS Health required orientation via LMS eLearning. **You cannot use a mobile device (phone or tablet) to complete the modules.**
1. Go to https://elearning.nshealth.ca/Studio and sign in at the top right hand corner

2. Enter the domain\username and updated password to login

3. Once you have successfully logged in go to "My Learning".

4. You must complete all 11 listed online courses and inform your school of completion as per the process set out by your school coordinator. These courses will reset annually to be completed.
