

MUST DO'S FOR STUDENTS

Once you receive your temporary password you must activate your account within 14 days.

Write your password down somewhere safe!! You might only use your account once a term so it's easy to forget it!!

Register your security questions the first time you are on site.

Change your password once per term or it could be deactivated

See below for detailed instructions and documents.

www.nshealth.ca/student-learner-placement

Under "Orientation" -> "Nursing Students"
